

We feel very happy to bring this **Series of Single Book Concept**, and there is no hesitation that we are the **Pioneers** of this Series as well. These days, governments and educationists are emphasizing on reducing the **burden of school bags** as much as possible. Taking into consideration this issue, we churned our brains a lot and finally find the solution in the name of **“Single Book Concept”**. This innovative idea is available in a packet of 6 books under 2 Semesters. Let's see some of its salient features.

Salient Features of Single Book Concept

- ❖ The student carries only a **“Single Book”** throughout the year.
- ❖ Each **“Single Book”** covers **all the Subjects** including Languages (Telugu and Hindi) and General Knowledge.
- ❖ As the medium of instruction is in English, the content of language subjects (Telugu and Hindi) is presented in such a way that the student can easily learn it through **English Pronunciation and meanings (TEP and HEP)**.
- ❖ Each Semester has **3 books** namely **A, B and C**. Look at the charts given below

From the above charts, it is clear that every **“Single Book”** ends with an **Exam**. We have given in 'C' Book of each semester certain exercises at the beginning of every subject under **“Let's Revise”**. Questions for SA-1/2 Exams for A & B books are taken from this section only along with C book syllabus. Therefore, there is **no need of going back** to refer any book in this **“Single Book”** Concept.

- ❖ In total **6 exam papers** are provided (4 FAs & 2 SAs).
